Agency Account Rosters

Med Ad News is gathering information for the magazine's annual report on healthcare communications agencies and networks.

Due By February 10th*

Please review, update and submit the Excel chart(s) and/or Word documents† – which is the account roster(s) – as reflected by what your agency updated for the April 2022 edition of Med Ad News and is distributed to your agency's representative(s) for this process. Please contact Maria Fontanazza at the e-mail address below if you do not have a copy of the file(s) that your agency submitted to Med Ad News in first-quarter 2022.

†Please note: These documents can serve as part of the Agency of the Year and Agency on the Rise evaluation process, therefore providing more details is more valuable than providing less data.

Additional Instructions:

- In the column titled 'STATUS OF ACCOUNT', please indicate for the 'ACTIVE ACCOUNTS' from the April 2022 rosters whether they are active, inactive, lost, resigned (accounts terminated by the agency), converted to project, or project completed in the past year.
- If any accounts were won in the past year, please indicate so at the bottom of the Excel list under the heading 'NEW ACCOUNTS' in alphabetical order by client name and by product name.
- Any updates? Please correct and note the changes in the 'COMMENTS' column

Submission Instructions:

Please e-mail the updated account rosters to Maria.Fontanazza@medadnews.com by the due date above. Materials should be clearly labeled with the agency name and brief description of its contents i.e., "Agency Name" Account Roster 2023.xls.
